

Job Announcement:
Community Acupuncture Practitioner (Sebastopol, CA)

Sebastopol Community Acupuncture (SCA) is seeking a community acupuncture practitioner to join our high-volume, low-cost acupuncture clinic to provide patient services to people of ordinary income.

We are a busy community acupuncture clinic in Sebastopol, CA that offers all treatments in a group setting (big room full of recliners) with fees on a sliding scale of \$20-40. Our goal is to make acupuncture services readily available to folks of all income levels.

We are passionately committed to our mission and are looking for a practitioner who can share in our vision.

Job Qualifications:

- Valid California Acupuncture license
- Valid malpractice insurance that does not require arbitration forms
- Desire to serve a large number of patients (5-6 patients per hour)
- Willingness and ability to be trained in community acupuncture techniques to meet the needs of a high-volume clinic
- Physical ability to work a fast-paced shift (6 hrs, 4.5 hrs of needling)
- Comfort with using meridian-based, distal-point acupuncture as your main practice modality and confidence in the effectiveness of simple, frequent acupuncture protocols
- Ability to communicate clearly, succinctly, and compassionately with patients and staff
- Self-motivation, good organizational skills, calmness and focus when multi-tasking
- Commitment to the collaborative spirit and openness to receiving and positively responding to feedback and correction
- Easily reachable and responsive by phone and email
- Ability to attract and retain patients
- Fluent Spanish speaker is a plus

Compensation and Benefits:

This will be initially a part-time position starting with two shifts per week, beginning May 2018. Each shift is six hours of clinical time and compensation is hourly plus a commission based on total number of patients seen.

Benefits include free acupuncture treatments, paid sick leave, and herbs at discounted prices.

To apply:

Please send a cover letter, resume, and references via email. Your resume should include your acupuncture training/experience, as well as your non-acupuncture work history.

This position will be open until filled, although we would like to have someone start training immediately and begin working in May 2018. Address materials to:
