

Greetings!

Golden Summit Acupuncture at 2929 Summit Street, Suite 102 in Oakland has a few days available for rent for an acupuncturist or other practitioner/body worker.

Located in “Pill Hill” area of Oakland, our office is situated amongst multiple other medical offices and hospitals, Summit and Alta Bates are within a couple of blocks. There is plenty of paid street parking within 1-2 blocks. On a rare occasion, you or patients may have to park 2-3 blocks away, but that is very rare.

Approximately 850 sq ft, we have 3 treatment rooms, a front and back office, an herb/supply room, and a tea area with a small fridge. We’ve just recently updated paint colors and furnishings and it has a very warm, inviting feel. This has been a successful healing space for 15 years.

Days currently available are Mondays, Weds, and Thurs.

Sat and Sundays are possible but we would have to discuss times as we sometimes hold classes and rehearsals in the space.

We have 3 treatment rooms, all of which are available on Monday (all day) and Weds (after 2pm). One treatment room is larger than the other two (16 x 8), which could be ideal for a body worker. On Thursday, only one of the rooms is available.

The cost of a room is \$200 per day of the month, however, if you’d like to rent more than one room in a day, the cost will be \$100 for the second and third rooms, for a total of \$400 for the use of all three rooms for an entire day.

Included in the rent is use of sheets, table paper, other paper products and soap, etc. Not included are your immediate supplies (needles, cups, cotton, oils, etc). You will have your own storage space to keep your supplies and selling of Golden Summit herbal products/inventory is negotiable for commission.

First and last month’s rent with no lease commitment, we just ask you give 2 months notice if you’d like to leave us.
