Location: **Oakland, CA**

Position Type: **Alternative Wellness Provider/Independent Contractor/Renter**

Post Date: **Summer 2018**

We are looking to expand our services. Mohari is a medium size, yet intimate eastern medical facility & community wellness center in the Uptown of Oakland. We specialize in acupuncture, massage therapy, eastern nutrition, and herbal medicines that include exotic teas & elixirs. We also host workshops such as Sound Healing, Continuing Education, Ecstatic Practices and more.

We are looking for **passionate, dynamic therapists whom bring vibrancy, professionalism, and a personal style to their work and community.** We are looking for colleagues that are eager to do an amazing job in their craft and participate in all aspects of our wellness center.

Our space is beautiful, centering and inclusive. We have a strong and defined infrastructure of administrative systems: patient records management, scheduling, billing, procedures & protocols. As a practitioner on our team, **you will be a partner in building a vibrant healing community space.** We ask our team of practitioners to invest and engage with us, build and retain clientele, refine systems, and excite clients to improve their wellbeing.

**You can expect excellent compensation based on your ability to retain clientele—all under one roof with a unified team.**

For independent contractors who provide service, you are required to complete SOAP notes for each client. Compensation is a flat rate per person treated. The therapist can expect to grow their clientele through **collaborative marketing efforts, our strategic location, and cross-referenced patients.**

For renters the cost per 8hour day is \$250, per month. **Two-day minimum required.** This gives access to a treatment room and restroom. Wellness floor, meditation room, sound booth and café can be rented for an additional cost. Interviews are required to assure a good fit.

If you are interested in partnering with us, please send a cover letter and resume to [Info@Mohari.Life](mailto:Info@Mohari.Life). We will begin interviews immediately and will continue interviewing until the positions are filled.
