

Motus Acupuncture

For: Motus Rehab Clinic

Effective Date: Wednesday, December 12, 2018

Motus Team Intro:

Motus is a team of elite health professionals, located in the SOMA district of San Francisco. Our team, which includes Chiropractors, Physical Therapist and Massage Therapists, is fitness and lifestyle focused wellness brand. We work with a uniquely developed methodology that helps people phase into wellness care after injury. This will be achieved through our soon-to-be launched wellness memberships. As part of those wellness memberships, our clients will have access to Acupuncture, in addition to our existing services. This will be an exclusive invite-only membership for people who are invested in their health and wellness. Please check us out at: www.motusclinic.com to see photos of the space or visit our [Yelp](#) to hear what our customers are saying about us.

Position

We are looking for an experienced musculoskeletal, sports-based Acupuncturist to join our healthcare practice. We have 2 rooms available and are looking for a therapist who is willing to see 2 patients per hour. The therapist must be open to developing a model of care within the wellness membership structure Motus is providing in Jan 2019. Ideally, the therapist will provide a mix of traditional acupuncture with focus on stress reduction and meditative practices with a familiarity of sports injuries and other musculoskeletal complaints. Our population is active and self motivated. We are completely out-of-pocket, so no insurance restrictions! All Acupuncture patients will be provided by Motus. We will expect the therapist to be willing to promote us but there will be no expectations of formal marketing as part of their job responsibilities at this point. We *may* ask for the therapist to participate in health talks or events we host at Motus.

Job Duties

- Treat patients
- Maintain a clean work space
- Communicate with other staff both admin and providers
- Complete patient notes/chart
- Willing to participate in Motus events/talks
- Contribute to the development of the Acupuncture department

January 2019

Qualifications:

- Min of 3-5 years of experience in a Musculoskeletal based practice.
- Must have:
 - Valid license
 - Masters or Doctorate degree in Acupuncture
 - Current CPR certification
 - Up to date malpractice insurance.

Traits:

- Self Driven
- Focused
- Detailed oriented
- Creative
- Team Player
- Committed
- Reliable
- NOT sensitive (we can be brash at times)

Pay:

Provider will start as part-time with the goal of expanding hours. We are offering a per patient rate which will be negotiated based on skill set and experience level of the provider.

Hours:

To be set with therapist.

Location:

303 second street plaza.

Other:

The 2 rooms are 10 x 10 with a standard massage table. Basic supplies will be made available by Motus to include; alcohol wipes, sharps container, paper towels and any other requests.
