More details on page 2

Before seeing clients here, you'll need have:

- ✓ California State License for your profession
- ✓ Liability Insurance (we have referrals for low cost options)
- ✓ Contra Costa County business license (note to CMTs: Contra Costa County only requires a California State Massage license. No additional exams or permits required.) We can assist you with details on obtaining a county business license.

Some great reasons to choose Rising Moon Studios Shared Workspace for Healers

- Create your own healing practice
- Set your own schedule
- Build a client list of your own
- Establish a satellite office
- **Create freedom and control for your practice, your finances, and your life**

We provide professionally equipped, ready to use treatment rooms; everything you need to experience the freedom and benefits of your own practice, ***without the usual big start-up cost (massage table, room furnishings, rental deposit, linens; these expenses can frequently add up to over \$2500).***

Without these large expenses, you're better positioned to focus on building relationships and loyalty with your clients.

Our Mission

To inspire and support massage and other healing professionals to pursue their dreams by providing professional space and equipment at affordable rates.

Our Values

Everything we do is designed to ensure that our massage and healing professional clients have the best office experience possible.

We are passionate about everything that supports making a massage or healing professional a successful business owner.
