

# Urgent: Host Families Needed

## For Students from China

The Astar Education Institute is a non-profit organization in Virginia, and each summer and winter we organize a cultural and educational exchange program that invites boys and girls from China to learn English and experience American Culture first-hand in American schools and homes.

**Right Now we urgently need more families for our students.** If you have an extra bed and kindness to share for a week, we invite you to please get involved.

### As a host family, some of the benefits include:

- Learning about a new culture different from you own.
- Providing your family with an international experience in your home.
- Building lasting and meaningful friendships!

### What's more,

**A 14-DAY CHINA TRIP WITH ALL EXPENSES IN CHINA PAID FOR BY ASTAR** in August 2019 for a middle or high school-aged child in your home.

### Specifically we are looking for Host Families for:

High school aged students from China. They will be attending classes at El Cerrito High School with local students Monday-Friday.

### Who can participate?

Any and all families willing to open their home and their heart to a student studying abroad.

### What are the dates?

Jan. 27, 2019 – Feb. 3, 2019 for one week.

Students will arrive on Sunday, January 27, 2019 and depart in the morning on Sunday, February 3<sup>rd</sup> 2019.

### Compensation:

We compensate each host family \$100 per student. Every family can host up to 4 students.
