SELF-CARE FOR HEALERS

Rachel Goodman, MFT will be on campus Tuesday, December 5th to discuss ways practitioners and other caregivers can care for themselves emotionally, mentally, & physically. As healers, our focus tends to be on the well-being of others, but it is as equally important to tend to your own needs. This is particularly true during times of increased stress such as the holidays, finals, and after community crises.

PARKING & SAFETY REMINDER

All vehicles parked in the student lot need to have a valid parking permit. Vehicles without a permit will be towed at the owner's expense. Please remember that a permit only allows you to park in the student lot, not the patient lot behind the building. On several occasions, disabled patients could not find a space in the patient lot, and had to walk much further than needed.

Also, please take steps to be safe and keep yourself out of harm's way. It gets darker much earlier these days, so be alert when walking to and from your car in the evenings. If possible, travel in pairs or groups.
