NCCAOM IS GOING PAPERLESS

In an effort to increase efficiency, reduce risk, and help the environment, NCCAOM is moving to a paperless organization model for all its business and application processes. This will also help provide better and more timely services. Changes include:

- The NCCAOM Exam Verification State Notification process is now completely online! Students can now sign-in to their account and request information be sent directly to the state licensing board(s).
- Online Applications Only. Paper applications will no longer be permitted except for exceptional circumstances, at an extra charge of \$100
- Upload School Transcripts Online! Beginning Summer 2018, school officials will have a dedicated online portal to upload student transcripts directly to NCCAOM with immediate receipt verification
