THANK YOU JULIE!

After three years as Admissions Director at AIMC, Julie Scheff will be bidding us au revoir and relocating to Sacramento. Since her arrival, Julie has played an instrumental role at AIMC. She guided so many great students through our doors, oversaw the fabulous AIMC Journalism Team, and spearheaded a countless number of fantastic events. Julie will be greatly missed, but will always be part of the AIMC family. We wish her the best of luck in this new chapter of her life.

WELCOME RAIN JORDAN, ADMISSIONS DIRECTOR

Dedicated to a plant-based diet and to the study of nutrition, our new Admissions Director, Rain Jordan, will take the reins October 2 from Julie Scheff, our current Admissions Director. Rain says she is excited to take a position that aligns with her personal belief system. Rain comes to the job with more than a decade of experience in the education field... [READ MORE](#)

ACADEMIC ACHIEVEMENT

Kudos to the AIMC students who made the President's List. The list is comprised of students who earned a Cumulative GPA of 3.85 or above for two consecutive terms. This is the most extensive list we've had to date. Keep up the good work!

LEADERSHIP: JOIN THE STUDENT COUNCIL

The AIMC Student Council has two openings for new members. Being part of the Student Council is a great way to become more involved with AIMC and your fellow students. Your input, support, ideas, and involvement are welcomed and needed! If interested, please contact [Jessica Wakeman](#)

CONGRATULATIONS RA!

AIMC alumnus and faculty member, Ra Adcock, recently accepted a key position at UCSF Benioff Children's Hospital as a researcher and acupuncturist. Her ongoing efforts laid the foundation for a groundbreaking relationship between AIMC and UCSF Benioff, and introduced a whole new audience to the benefits of integrative medicine. Her contributions to AIMC as Program Director, instructor, and mentor have been immeasurable. Although sightings of Ra on campus may be less frequent, we are pleased that she will continue to serve as a faculty member and consultant at AIMC.
