

# LIBRARY LENDING DURING SHELTER-IN-PLACE

AIMC is now offering no-contact library lending while social-distancing restrictions are in place. Library staff can pull books and have them ready for pick up at the door of the AIMC building Monday, Tuesday, Wednesday, and Friday 10 AM to 12AM.

**Please email the Library Director, Patricia Ward with your requests: [pward@aimc.edu](mailto:pward@aimc.edu)**

Reference books will also be available for check out during this interim period of campus closure, although the loan period may be shorter than the usual two weeks. You will not have access to the Library to browse the shelves, but can search our collection with the online catalog:

**AIMC Library online catalog : <http://opac.libraryworld.com/opac/home>**

**User ID:** aimc library (Password not necessary)

We may also be able to handle some special requests if you need a few pages of a book scanned to your email. A student worker will be staffing the Library for a few hours on Fridays to help facilitate services while the campus is closed. Please email all requests to Patricia.

Patricia is also available for help in searching for online information:

- [AltHealthWatch](#) database: AIMC subscribes to this database, which is a good place to start your research. Contact Patricia for login information.
- [PubMedCentral](#) is also recommended. It is the free, full-text database of millions of articles which is the archive of the National Library of Medicine. There is a PMC Help manual on the website to help you learn to navigate this database.
