The Company

Blue Ova is a fertility and pregnancy acupuncture brand that exist to support women and couples on their journey toward parenthood. At the heart of the company is the vision to transform the

way fertility and pregnancy is managed and perceived in this country. We are a compass for women and men seeking a new path. Our goal is to deliver a service and an experience that makes clients confident and empowered to manage and reach their reproductive health and fertility goals.

Blue Ova is a growing company founded on the belief that fertility, pregnancy and women's health care should be inspiring, empowering, transformative and up-lifting. We are led by two sisters, female founders - Robin Sheared, LAc FABORM, and Shannon Kidwell. Our Clinical Director Robin Sheared brings 15+ years experience as a leading fertility acupuncturist in San Francisco and creator of the Blue Ova Method™. Our team is made up of positive, inspiring and grounded people with a love for what we do. We strive to have a team that is bonded, helping one another grow and constantly learn from each other. Please reach out if you would like to be involved in the growth and shaping of an organization that is fueling the women's health and wellness movement.
