
Job Description Qualifications

Acupuncturist/TCM Practitioner, Nationally Certified.

We seek an acupuncturist who has a passion for helping people, loves working as part of a group, is professional with good communications skills and has a passion for educating people about the benefits of their work.

Compensation

Salary

Commission, plus base pay the first year. \$46-\$49 per patient hour, per treatment room, based on new patient appointments of 1 1/2 hour and return appointments of 45 mins. This fee is multiplied by 1-3 depending on the number of patients the practitioner can effectively work with in one to three tx rooms per hour as the practitioner prefers). Quality care is our highest value.

Additional Compensation

We offer competitive pay, continued education reimbursement, retirement match at 2 years, bonuses in years with a profit, discounts on services, classes and health products, use of space to trade with colleagues and a great team with which to work and learn.

Creative Wellness is

A 30 year old busy and growing integrative health center in East Lansing, MI, with an Acupuncturist, Chiropractors and Massage Therapists and well as health and wellness instructors. Creative Wellness is connected to the medical community and receives referrals from area physicians, pt's, VA Hospitals and Nurse Case Managers for people who survived serious auto accidents and the general public. We participate in all insurances that cover Acupuncture. We employ a Marketing Director and Event Coordinator to help our staff build and maintain a clientele more quickly and administrative professionals to schedule appointments, take payments, process insurance and provide safety and insure our Covid-19 safety protocols 7 days and 6 nights per week. Masks are required and enforced in our health center. Visit our website at www.creativewellness.net for further information about our health center and our Covid safety protocols.

Hours

Client needs include some evenings, some days as well as Fridays and Saturdays or Sundays.
