Licensed Acupuncturist

Redwoods Rural Health Center is looking for a highly motivated Acupuncturist to join our team! The schedule is part-time to start with full-time potential. We currently have an integrated clinic consisting of medical, perinatal, nutrition education, behavioral health, medication-assisted treatment, and dental services. RRHC offers holistic services to all patients, regardless of their ability to pay or insurance type. We accept Medi-Cal and Partnership Health Plan. This is an AMAZING opportunity to become an integral part of an upbeat, encouraging health center without the risk and headache of running your own practice.

RRHC is located in Southern Humboldt, with easy access to Napa wineries, San Francisco and Pacific coastline. Enjoy clean mountain air, local rivers, and pristine beaches. Mild winters make for year-round outdoor activities including fishing, rating, hiking, camping, surfing, beach combing and mountain biking.
